

Somerset Wing Chun Policy with respect to Juniors Students is:

Personal Safety

We take the safety of Junior Students seriously and require that parents/guardians are fully aware of their responsibilities.

- Aged 10-13 - Must be accompanied by a training adult.
- Aged 14-16 - After assessment may be permitted to train without a training adult.

Parents/Guardian Responsibilities:

- Parents/Guardians of unaccompanied juniors must make arrangements for their child to be dropped off and picked up.
- Parents are responsible for ensuring that when the class finishes that the junior does not have to hang around the venue unsupervised.

Instructors will not take the responsibility of supervising juniors after a class has ended.

In order to maintain a balance of training, the number of Juniors will be limited to a percentage of overall class numbers.

Current Junior students will continue training under their existing arrangements BUT all prospective new Juniors may be required to go on a waiting list.

Insurance:

- It is the responsibility of the Junior's parent/guardian to ensure their child is insured which must be done as soon as possible after the initial free lesson when the Junior commits to training.

Failure to insure means the student cannot train and therefore training would be withdrawn.
